

# ONE FLAG – PATRIOTS or LOYALISTS?

When our nation began, people had to chose whether they were Loyalists to a King or Patriots to a Democracy.

We are at such a time!

<==>

**I see people holding the flag of our nation in one hand and the flag of a person in their other hand!**

<==>

Jesus Christ said we **cannot serve two masters**. He said we will **love one and hate the other**; we will be **loyal to one and despise the other**; that we **cannot serve God and mammon**.

Christ's perception stands true today!

Those holding a flag to a person in one hand and the flag of our nation in another hand, do indeed – – **LOVE THE PERSON** – – and – – **HATE THOSE CITIZENS WHOM WE THE PEOPLE HAVE SENT TO SERVE IN OUR GOVERNMENT** – – of citizens by citizens.

Those holding a flag to a person in one hand and the flag of our nation in another hand are – – **LOYAL TO THE PERSON** – – and – **DESPISE THE GOVERNMENT** – – of our nation.

Those holding a flag to a person in one hand and the flag of our nation in another hand – – **SERVE THAT PERSON OF MAMMON** – – with full allegiance and – – **DON'T SERVE OUR DIVINELY INSPIRED NATION** – – as citizens thereof.
